Proper use of QR codes

Sample QR Code
(Example Only)

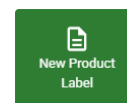

Information allowed to be presented via QR code:

- Name and license # of the cannabis business that cultivated the medical cannabis
- Name and license # of the cannabis business that packaged the medical cannabis
- Date the medical cannabis was packaged

QR code requirements:

- Must contain "Specific Product Information" written directly above or below the QR code
- Must be large enough to be scanned by a smart-phone

New Product Label Review

Business licensees can upload a **New Product Label** for review by the OMC through the **Business Licensing Application Portal**.
