Protein 0g (0% DV), Vitamin D 0mg (0% DV), Calcium 10mg (0% DV), Iron 0mg (0% DV), Potassium 0mg (0% DV).

PRODUCTION INFORMATION

Jane Doe Grow #12345 Production Batch ID: 111423ARLBD Processing Processor #45455 Processed on: 9/8/2024 Butane extraction method	Exp. Date: 9/09/2025 Packaging Packager #23456 Packaged on: 9/11/2024 Testing Lab #45679 Tested on: 9/10/2024
---	---

TIME TO TAKE EFFECT
May take up to 120 minutes for effect

HEALTH WARNINGS
For medicinal use by cardholders only.
KEEP OUT OF REACH OF CHILDREN
National Poison Control Center:
1-800-222-1222

Callout 1: Required Kentucky THC warning label

Callout 2: Edible product name, cannabis strain, type of strain (e.g., indica, sativa, hybrid), and product net weight

Callout 3: QR code (optional) for certain information

Callout 4: Estimated amount of cannabinoids standard in the product in milligrams, per serving, including Delta-9 THC (intoxicating) and others such as CBD (non-intoxicating)

Callout 5: Actual amount of cannabinoids in milligrams, per serving, according to the certification of analysis (COA) results from testing lab

Callout 6: Number of servings per package and total amount of cannabinoids per package

Callout 7: Ingredients, potential allergens, and the required nutrition fact panel

Callout 8: Cannabis cultivator, packager, processor, and testing lab information

Callout 9: Date after which the contents may degrade in quality and may affect flavor

Callout 10: Estimated time for medical cannabis to take effect depends on consumption method (e.g., inhaling vs. ingesting), individual factors (e.g., metabolism, body weight, whether the product is consumed on an empty stomach), and specific product formulations

Callout 11: Required warning labels and the phone number for the National Poison Control Center

Note: Certain information is required on the label of a medical cannabis product; however, this information may be presented differently based on the product type and the licensed cannabis businesses which packaged and sold the product.
