

Quick Reference Guide for Kentucky Visiting Qualified Patients

Application and purchasing process

1

Maintain a valid out-of-state medical cannabis registry ID card

A visiting qualified patient applicant must have a **valid out-of-state registry ID card** to apply for a registry ID card in the Commonwealth of Kentucky.¹

2

Submit an application

A visiting qualified patient must **apply** through the patient and caregiver registry portal and provide:

- A copy of his or her valid out-of-state registry ID card
- Documentation of a diagnosis of a qualifying medical condition
- Signed and notarized signature form
- Application fee

3

Receive a registry ID card

The Cabinet will approve or deny the application within 30 days of receiving a completed application. If the application is approved, the visiting qualified patient will receive a **digital registry ID card**, which must be printed or saved on a mobile device.

4

Purchase medical cannabis products

A cardholder must **purchase medical cannabis** at a licensed dispensary and the following purchase options may also be available at licensed dispensaries:

- Delivery service
- Curbside pickup
- Drive-thru window
